Market for Registrant's Stock

Our Common Stock is listed on the New York Stock Exchange in the United States under the symbol F. As of January 30, 2023, stockholders of record of Ford included approximately 104,339 holders of Common Stock and 3 holders of Class B Stock. We believe that the number of beneficial owners is substantially greater than the number of record holders because a large portion of our Common Stock is held in "street name" by brokers.
